In accordance with 37 C.F.R. §1.56, this Information Disclosure Statement is being submitted for the above identified application. The disclosure contained herein is not intended to constitute an admission that any patent, publication, or other information referred to is "prior art" for this invention. In accordance with 37 C.F.R. §1.97 (b), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined by 37 C.F.R. §1.56 exists.

Each item of information contained in this information disclosure statement was cited in a communication from the International Searching Authority dated June 18, 2001, in a corresponding Patent Cooperation Treaty application. A copy of the search report is enclosed.

Each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Therefore, no fee should be required.

However, the Commissioner is hereby authorized to charge any additional fees or credit any overpayment to Deposit Account No. 16-1150. This form is submitted in duplicate for such purpose.

Respectfully submitted,

Date July 12, 2001
